IDES Board:

We live at 14 Stage Road Pescadero, next door to the IDES Hall.

On Saturday the 7<sup>th</sup> of July you rented the hall for a party. The music was loud but within tolerable limits. We did not leave our home. The music stopped at approximately 10:20 p.m.

There was no security provided for this party where alcohol was being served. During the party people were on the street drinking, tossing beer cans and trash.

After the party people stood in my driveway drinking until almost midnight. One individual urinated in front of my home.

Several cars raced down the street toward the post office.

I am sure that if the fire marshal was on scene he would have shut the party down for overcrowding the Hall.

We left our home about 7:00 a.m. on Sunday. We had to remove beer cans, beer boxes and broken plastic drinking glasses from our driveway before we could back out.

A few weeks ago you rented the hall for a 15<sup>th</sup> birthday celebration. The music was extremely loud and we left for a few hours. Private security was provided for this party. The guests left on time and did not loiter. We had some trash in front of our home.

I am requesting that you require a "rent a cop" for parties where alcohol is being served. You also need to require proof that security has been hired prior to the party.

Sincerely,

Thomas and Patricia Smith
