To Whom It May Concern,

One of my constituents in Pescadero has approached my office regarding concerns about the annexation of the San Mateo County coast into the Midpeninsula Regional Open Space District. Specifically, this individual believes that there should be an investigation by the Civil Grand Jury into the count of signatures that had been gathered in favor of placing the issue of the annexation on the ballot.

It is my understanding that this issue may be a matter that is currently being litigated as a result of a suit brought against the Midpeninsula Regional Open Space District.

My constituent is still hopeful that the Grand Jury will look into this matter. I am sending this letter at his request. Should you need any additional information, please feel free to contact me.

Sincerely,

Richard S. Gordon
